TouchingLives

Our Vision & Impact

Building an active online community of youth in the age group of 16 to 25 years from humble backgrounds for learning and growth, and nurturing their journey of becoming independent, and empowered individuals.

Learning
Continuous education and skill development for lifelong success and adaptability.

Community
Building a nationwide youth network that connects and empowers young people across India.

Support
Mentorship and peer connections providing guidance and encouragement at every step.

Impact Stories from our other Youth Engagements

"The English communication and healing sessions helped me express myself with greater confidence and believe in my abilities. The support I received also encouraged me to pursue my dream of becoming a playback singer."

Bhidhushi S, Arunachal Pradesh
Class 12

"The sessions helped me overcome my fear of speaking English and communicate with confidence. As I grew more confident, I also stepped into leadership roles and now serve as the Organising Secretary of my university's Moot Court Committee."

Aryan S, Uttar Pradesh
B.A. LL.B. (Hons.)

"The sessions helped me overcome self-doubt, build better habits, and gain clarity about my future. I became more confident, participated actively in college, and secured my first internship."

Krishna M, Maharashtra
CA Intermediate & B.Com (3rd Year)

Impact Stories from our other Youth Engagements

“The communication and personality development sessions gave me the confidence to step beyond my comfort zone. From winning an English debate competition to becoming a Google Student Ambassador, I discovered what I was capable of achieving.”

Mohit, Uttar Pradesh
B.Tech (Computer Science)

“The English communication and healing sessions helped me overcome self-doubt and express myself more confidently. They reminded me that I, too, deserve encouragement, growth, and belief in my own potential.”

Indu S, Arunachal Pradesh Private Teacher

“The learning sessions strengthened my communication skills, prepared me for professional opportunities, and helped me build greater self-confidence. The guidance I received supported both my personal and professional growth.”

Nikhil S, Uttar Pradesh
BALLB, 5th Year

FAQ

Common questions about the Youth Development Program

Is there any fee for joining?

No, the program is completely free of cost for students across the country.

What is the main language?

All courses and communication will be in English - a universal language we recommend students master.

How many hours per week are needed?

YDP is self-paced. We suggest 5–10 hours per month for thorough learning and visible growth.

What are the enrollment steps?

1. Fill the YDP Registration form
2. Get on a short call with our team
3. Create your login ID
4. Attend Orientation to the platform
